

# ***DRAGLINES***

---

## **A. Original Equipment Manufacturer (OEM)**

The following is a listing of the OEMs for draglines. Local dealers should be contacted for specific needs and details.

<b>Manufacturer</b>	<b>Standard Sound-Suppressed Environmental Cab w/air-conditioning and muffler(s)</b>
Bucyrus Erie Company	X
Harnischfeger	X
Indresco, Inc.--Marion Division	X
Manitowoc Engineering	X
Mannesmann Demag Corporation	X
Northwest Engineering Company	X

"X" indicates product availability.

## **B. Retrofit Noise Controls**

Retrofit noise controls kits are not currently available from the OEMs.

All openings to the engine and hoist/drag assemblies should be sealed off from the operator's compartment and sound-absorptive material installed on the walls and roof of the compartment. Sound absorptive/barrier materials for installation in the operator's compartment are commercially available from a number of manufacturers. Suppliers of these materials are listed in [Appendix B](#).

Replacement parts are available for the exhaust systems, (i.e. manifold, mufflers, pipes, clamps) from the engine manufacturer or the following suppliers:

**Donaldson Company, Inc.**  
1400 W. 94th Street  
Minneapolis, MN 55431  
(612) 887-3330

**Nelson Industries, Inc.**  
P.O. Box 428  
Stoughton, WI 53589  
(608) 873-4200

## **C. Alternative Technology: None identified at this time.**
